“ Kati, Jean, Frank and Families,

My heart is saddened to read that your mother has passed. She was one beautiful lady whom I am glad to have known. Working at the park turned into a friendship I will always cherish. She would always tell me "come up for a cup of tea". She was so proud of her family. May happy memories be with you all.

Ellen, may you rest in peace Dear Friend.

“ Ellen was in the 1954 graduating class at Sacred Heart Academy with my sister Rose and me (Pecoraro twins). She herself had a sacred heart that beat with the pulse of a true heroine.

Over the eight decades of her life, Ellen's upbeat spirit saw us through many ordeals —perhaps because she herself braved so many tragedies. How she did this we cannot guess except to say Ellen's faith shimmered with unspeakable radiance and wit!

Our prayers TO her now for the children, grandchildren and extended family she leaves behind. We sorrow with you. We mourn with our classmates and the multitude of Ellen's vast array of friends. How blessed we are to have had her — and have her still — in our lives.
